The Dakshana Foundation Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Grand Dakshana Selection Test (GDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including NVS records, Principal and JNV staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because I want to be an IIT'an. I feel I will be proud to be a student of Indian Institute of Technology. That's my aim & I would like to get my this goal through Dakshana Foundation. Because, I think that, the Dakshana Foundation is the Best Foundation in the world. No other Institute or Foundation will give such facilities to the bright student. I want to go in IIT to form a best Engineer to reach the name of India on Top. Not only IIT's, I would like to go in IIST (Indian Institute of Space Technology) through Dakshana foundation because, this foundation has the power to take its each student to IIT which ~~is~~^{is} not in other classes. Dakshana gives best facilities of Phy, Chem & Math to the students so that they could be an IIT'an. Dakshana also provides the good books for reading to these scholar students. Facilities available for scholars

are so good. Each of them is an IIT'n or an NIT'n. Such faculties are not available to everyone, only dakshana scholars get these faculties so I would like to be an IIT'n through Dakshana foundation.

(You can use this form or a separate piece of paper. Please submit the essay in your own handwriting)
