SUNNY KUMAR

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because Dakshana is providing free coaching for IIT-JEE and now through it I can get my dream without facing any difficulty like economic problem. I always want to get selected in IIT, but due to economic problem my father is not able to provide me such a good coaching Institute for IIT JEE preparation. I always became worried about my future. I faces many competitive exams and also get selected with good rank but they wanted money which I can't provide. But, similarly I've faced Dakshana Exams because they're providing free coaching for IIT-JEE as Navodaya, where I'm reading, provides poor, rural and talented students.

I've listened many more about Dakshana and also they provide good results in IIT. If I once get selected then I can hopefully attend IIT. I like Dakshana's faculty because it is just like

a drop of water in the mouth of a thirsty person who are needing this.

Dakshana is providing their faculty to those students whose dreams are being crashed due to their economic problem and their talent is wasting. But, due to their help, one can crack and fulfill their dream more successfully.

It is just like a boom for poor and talented student. Really, Dakshana itself doesn't want need any more introduction.

At last, I wish to get selected in this foundation such that I can achieve my dream and can be a good personality. Thanks Dakshana, because I can't explain that without you how much student waste their talent in the search of a ray of light.

(You can use this form or a separate piece of paper. Please submit the essay in your own handwriting)
