The Dakshana Foundation Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Grand Dakshana Selection Test (GDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including IIT records, Principal and JNV staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because to crack IIT with good rank is my dream and Dakshana foundation gives the platform and guidelines which leads to my dream and I am sure that my dream will come true because the facility given to dakshana scholar is world class level which is very much effective to encourage any student which is well determined for his/her dream. We can see that the level of competition is increasing day by day. Before coming to dakshana I was in confusion whether I will crack IIT or not, because my family belongs to a middle class family and my brothers are also studying, so my father can't afford the huge coaching fee of the coaching institutes for preparing IIT. I got many scholarships in many good coaching institutes but that was not much because my family can't afford that much little amount. But after knowing about Dakshana, and its work I have craze about it. Its work is so fascinating that it motivate many students including me that to fulfill the dreams which would have been in confusion if dakshana is not present.

Nothing is impossible if high determination and will power is there. and if support and facilities are also provided then it is like the tonic of victory. The examples, inspiration of Dakshana inspire all the students a lot where I was confused in my home that which coaching should I join, with my Parents about that fee or not? All these confusions are flushed away. Now I am in J.N.V Bundi as a Dakshana Scholar, getting back coaching by Dakshana and Resonance of high level which inspire me so much that I will crack the IIT. The condition outside J.N.V. is not good for students. The campus in J.N.V, all the facilities at your room all always memorize you that for which purpose you are here? for which purpose Dakshana is spending money on you? and that purpose is to crack IIT, to become a respectable IITian. As a result mind, hand, pen everything starts going in perfect direction towards the destination and my destination is me as an IITian which is going to be true because of Dakshana foundation. ♥ Thanks Dakshana.
