The Dakshana Foundation Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institution. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Grand Dakshana Selection Test (GDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including NIS records, Principal and JNV staff interviews, peers, neighbours, school alumni and direct verification. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because IITs are the best institutes for Engineering in India and I want to become a good Engineering and fulfil my parent's dream as well as my own dream. When I was in class VIIIth at that time I heard IIT for first time at that time I thought that I will crack IIT from my parent JNV but when I came in class X there I found that cracking exams like IIT-JEE from my parent JNV was impossible. because a regular coaching is required for crack it and that coaching is very costly for a middle class family and I belongs from very low-income family and providing coaching from highly paid coaching center was not possible for me. at that time I heard about Dakshana foundation. from that time I promise to my self that only Dakshana foundation can make my dream true from that time I started preparation for CDST. and I was very confused

about GDST result. whether I will qualify or not. and in JNV the level of study or ^{is} not up to markable. So I think if I will not qualify for Dakshana then I will become useless and can not do anything in the future. but now I am selected for JEE Coaching. So now I will try my level best to score good rank in JEE. And at last I want to say that Mohanish Sir ^{the} Dakshana founder is like god for Dakshana Scholar because only due to him many poor students qualify for IITs and ~~made~~ fulfil his parent's dream. So, thanks Dakshana team for qualifying me for Coaching and I promise to you all Dakshana team that I will try my level best to bring glory for Dakshana as well as for India.
