VIKAS RAVI KUMAR

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because the aim of my life is to serve my country (India) with honesty. To serve country means to help the poor peoples of our society, to remove corruption from our system (because now-a-days corruption is present in our whole country, the people who have been given powers they are also corrupted not all but maximum).

I decided to do something for the poor people.

According to my opinion, ~~but~~ If you want to help others, it is necessary that you ^{should} have powers (economical, social ~~not~~ political). Otherwise you can't do for them, only you can think about it. Like DAKSHANA FOUNDATION is helping us.

I want to be an I.A.S. officer because it is the best way to serve our country.

I am very thankful from deep of my heart to this organisation because it is provided me a good way to get my goal. For me it was not possible to join coaching-centre. Now it has become possible for me due to dakshana.

Since Dakshana is helping me, so I want
to attach it from my whole life. Again
I thanks to DAKSHANA FOUNDATION.
