VIKRAM SINGH.

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because my dream is to serve my family and my village. I belong from very very backward area. It has never given a good quality engineer or doctor. I want to break this sorrowful and shameful tradition. I want to be an IIT engineer and to show the guidance to all of them who are like me. I want to make reach my message to all that the facilities and success will come to you if and only if you have talent and labour. Rather these, I want to serve my country. And I think that this is the best way to serve my country, especially for me. I can do something for human society by this method, when I have money and talent. I want to do something like Dakshana owner, which would be

in the favour of talented but poor human society. These all are why I want to become a Dakshana scholar and hopefully attend IIT.
