Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because I think Dakshana foundation is the best institute for every Navodayans who wants to be an IIT'ian. To beat IIT-JEE is my life's aim, so for the completion of my aim, Dakshana can provide me everything, whatever required to be an IIT'ian. The best thing is that Dakshana provides coaching in TNV itself. I have already heard of Dakshana, their facilities, their best coaching, & their sincere efforts for every Dakshana scholar. I belongs to a rural area, where no one has craze for IIT-JEE, that is why it was very difficult for me to prepare for exams, that is why Dakshana is a boon for me.

Indeed, whatever Dakshana is providing now, no institute can provide this type of facilities & coaching. The main thing is that the foundation has a emotional & psychological attachment with the students, which is impossible in any coaching institute, because everyone has

made the coaching as a business for earning money, but Dakshana is not doing so. Really Dakshana is a grace for every rural areas students. Dakshana is working like god, who is helping the poor but talented students. Due to these reasons, it was my earnest desire to be Dakshana Scholar, and now I am proud of myself to be a Dakshana Scholar, and I am very confident to be an IITian. Definitely I will try my best to top the IIT-JEE-2012, which is my life's dream, without which I can't ~~to~~ imagine about my life.

Really, I am very very thankful to Dakshana for providing me a best way, a dreaming way to reach my goal ~~to~~ to fulfil my dreams.

Thanking You!
