## The Dakshana Foundation Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Grand Dakshana Selection Test (GDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including NVS records, Principal and JNV staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

VINAY SINGH

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because IIT is my greatest dream which I have been seeing from my childhood. Dakshana foundation is a boon for me and other children who want to become an IITian but have not sufficient sources.

My family's economical situation is not very good. My father could not pay the high fees of IIT coaching institute. When I got admission in Jawahar Navodaya Vidyalaya, my father's half burden was lost. And when I got admission in Dakshana, all problems related to money, was over. Because it is totally free. Free education, free food and all other activities are totally free.

I have two brothers also. My father also spent money for their education.

I want to become IITian because I want to help the nation through scientific activities. I want to become Engineer. And make such type of cheap machines which can used by everyone in country. Poor people can also

use that machines end become comfort.
