## The Dakshana Foundation Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Grand Dakshana Selection Test (GDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including NVS records, Principal and JNV staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because to become an IIT-an is my aim. First time I heard about dakshana in class 9<sup>th</sup> by our principal. Then, I decided to join dakshana because my parents was not able for IIT-Coaching for me. Dakshana is a boon for poor and meritorious students of Navodaya. They give an opportunity to show talents for the poor students. I want to become IIT-an because it is the best institute in the India where a student can get better education. I want to do some special for India. I want to make it Super Power of the world. This is only possible when I join Dakshana. The thought of Dakshana is too much appreciable. I thanks to Mr. Monish Pabrai & her Mrs. for starting this type of coaching.

I have also thought that when I become a successful person in my life, I will begin such type of institution that would support the poor students who is not afford for the better education.

Once again I thanks to NVS & Dakshana foundation to give the IIT- Coaching for poor students.

(You can use this form or a separate piece of paper. Please submit the essay in your own handwriting)
