**The Dakshana Foundation  
Application to Become a Dakshana Scholar**

BPL

Full Name Dinash M. Chavalthari -45, selected

Dakshana Scholars are gifted, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of tuition, boarding, lodging, books and incidentals. In order to be eligible to apply for becoming a Dakshana Scholar, ALL of the following conditions must be met:

1. You must qualify in the Dakshana IIT-JEE selection test and personal interview. The decision of Dakshana in this regard is final.
2. Must have atleast a 75% average in Physics, Chemistry and Mathematics for every year (9th through 12th standard) that the applicant has completed.
3. The total typical household monthly income (total income of all members of your immediate family) is under Rs. 7,000 per month.
4. The total assets of your immediate family (including any savings, real estate or property) is under Rs. 1 Lakh.
5. The Dakshana Foundation believes that the beneficiary of aid today is the donor of tomorrow. We believe that helping gifted, impoverished students get a world-class education has a very high return on invested resources to the individual, the family and the entire community. Dakshana Scholars have a voluntary moral (but not a legal or contractual) obligation to donate 10% of their monthly lifetime earnings back to the Dakshana Foundation to fund future Dakshana Scholars. They could also choose to give to any other charity of their choice. Or they can choose to give nothing. The choice is yours and we accept whatever you decide. After a few years, we fully expect Dakshana to be sustained and grow from this voluntary giveback and help an increasing number of impoverished and gifted children every year.

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because *It is very hard* for my parents to give or arrange one days meal for us, but yet they <sup>never</sup> made us to feel deficiency of anything. They always provide us what they can provide. I know very well what poverty means. But ~~not~~ institute like Navodaya help me I am very hope full about my IIT result next year. I have prepare very hard for 2 years but due to lack of sources means like good books, good teachers I am not able to crack JEE, I know I believe in my self that I can crack JEE. If & only if I can get help of Dakshana. I think that Dakshana is like nuclear reaction specially fission as in fission one neutron gives three neutron such in Dakshana. Supports one student who can support further many students (like three neutrons) which can help poor students & India's talent will be utilise. It will be saved from die out. I know I can crack IIT if & only if I get Dakshana from Dakshana. My aim is to top IIT which can be achieve

by Dakshana only because my parents can not afford themselves to join me in any coaching. & I doubt that will I able to compete with the puppets of different classes? To compete them I have to join Dakshana. I think Dakshana is only organization which have think of it pose like me. I am sure I will be IITian if I get little support from Dakshana. I have done hard study to get into IIT. ~~now I am sure that~~ my locality is poverty stricken. If I have to do for my society then. I should have something with me. & that something is education which Dakshana is going to give me. So that I can uplift my society. considering above I want to be Dakshana scholar.

(You can use this form or a separate piece of paper. Please submit the essay in your own handwriting)
