The Dakshana Foundation Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Grand Dakshana Selection Test (GDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including IIT'S records, Principal and JNV staff interviews, peers, neighbours, school alumni and direct verifications. Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because I have a deep interest in technology. I like to play with mobiles as well as with computers. I have much more interest in it. I want to design mobiles & new softwares. And IIT is the best platform for me. In IIT we can do whatever we want. The atmosphere of IIT is awesome.

Another thing is that I am interested in physics, practical physics. I like to solve examples of it. In preparation for JEE, we came across many concepts of physics & thus it is very much enjoyable.

My mother is housewife and my father is bus conductor. They work hard for us. They take very much efforts to educate me. I want to relieve them from their efforts.

I want to fulfill my parent's dream, I want to make them smile. I want to make them happy. These can be done only, if I would attend IIT. So, I want to become a Dakshana Scholar.

Another reason for becoming an IITian is that, I want to lead my society. My society is something lagged behind in terms of education. So I want to improve it.

It feels good when you stand on ground and see at your aim person, but it feels best when people stand on ground & see you as their aim.

So, I want that best feeling & thus I want to become an IITian.
