Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because i want to make myself the inspiration for others. i dreamed to fly over the succeed peoples. Dakshana Foundation is the place of my take off for my success. In my opinion, IIT raised our thinking power upto inventions. And Dakshana gives me the opportunity that i could go for it. From the first day in Dakshana, i realised how Dakshana push the scholar to step over the huge wall of JEE.

The Another point about Dakshana, I feel, Dakshana is full of opportunities, to serve for the Nation. Likewise everyone wants, I too, wants to give myself for the country not by giving my life in service to Nation but by living for it.

From childhood, I always used to think that why some thing is impossible for Human being where they are possible for other creatures? why bird can lift over his weight only with his wing power? but I wants

to lift myself higher than him with my will power. And Dakshana is working for make this will.

The Goal of foundation, really make everyone 'INFINITE GOOD' and as per facts

The bird need a support of wind, to fly through it;

The fish need a support of stream, to swim through it;

I too,

need someone who make me as much capable that I can face not just JEE main and Advanced but every obstacle in between me and opportunities, And that is the real Donation for everyone
Hence,

the Real Donation or the Dakshana is more than any other donation, that's why I'd love to become Dakshana scholar.
