The Dakshana Foundation Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Grand Dakshana Selection Test (GDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including NIS records, Principal and JNV staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because when I am selected in JNV, I have decided to become an engineer. Because I am interest in mechanical things How the machines works? how they pull or lift heavy things. These things attracts me towards the machine.

Sometime when I saw some scientific topics in newspaper I read that article carefully and with great interest

But my family has no means for coaching for such engineering entrance examinations like IIT. So I am satisfy with the facility that I have provide by NVS.

But when I know that I have been selected for dakshana foundation for two years coaching programme for IIT-JEE. That time I feel

very happy. I had got a chance to become an engineer by getting scholarship from dakshana foundation for hundred percent scholarship on coaching and books. I think dakshana is the GOD for the poor students like me from rural areas, who gives 'wardaan' as a IIT-JEE coaching.

Now I am the scholar of the dakshana. So I am promise to dakshana that I will give return a 'Gurudakshina' by become an IITians, which is a big Gurudakshina for me.

I think to become an IITian. I have to work hard and manging time, study sincerely and practice regularly.

At last I want to thank Dakshana for the great 'DAAN' to me.

(You can use this form or a separate piece of paper. Please submit the essay in your own handwriting)
